

Amherst BioNews Monthly Newsletter - JUNE 2019 edition

Greetings biology folk,

It's time for a brief edition of our monthly newsletter with all that's happening and exciting in Amherst C

- The Amherst College [Summer Research Program](#) is underway and the Biology department has kicked

- [Prof Dianne Pater](#) is moving on to her new tenure-track position at Vassar College. The department shared with us (photo below). We will miss you Prof Pater!!

Hope you all have a terrific June and stay tuned for a July edition next month,

-the Biology Department

...have something Department-related to share in the next newsletter? Please email Joe Trapani
