

Problem Set 2 for Math 17

Date Due: February 11, 2011

January 21, 2011

Problems:

Chapter 6 - 14, 28, 40, 42ac, 56

Chapter 12 - 4, 24, 36

Chapter 13 - 14, 46, 54

For 13.14 - explaining the “nature and scope of the conclusion” means state what the researchers found if you have enough information to do so (for example, in 13.15, there isn’t enough information because you are not told what the counts were or what conclusion was reached).
